

New research project

From Anastasia Mozhaeva <AMozhaeva@eit.ac.nz>

Date Thu 27/02/2025 10:34 AM

To Neema Joseph <NJoseph@eit.ac.nz>

Cc Noor Alani <NALani@eit.ac.nz>

Dear Neema,

Good morning again.

Following our consultation on creating a research article today, I am sharing my and Noor's presentation from last year with you.

We look forward to the data collection schedule. Please don't hesitate to reach out if you have any questions. We're here to help you get started with your research activities, particularly in teaching.

We're also very happy to have you as part of our project!
