To Whom It May Concern,

I am delighted to write this letter in support of Anastasia Mozhaeva, a dedicated and compassionate lecturer at the Eastern Institute of Technology (EIT) in Gisborne. As a Student Support Advisor, I have worked alongside Anastasia and witnessed her unwavering commitment to inclusive education firsthand.

Anastasia consistently demonstrates an exceptional ability to identify and support students with diverse learning needs. She proactively creates a relaxed, safe, and supportive classroom environment that fosters academic success for all students. Her deep understanding of inclusive higher education allows her to tailor learning experiences to individual needs, ensuring every student feels valued and empowered to achieve their full potential.

Furthermore, Anastasia is highly adept at implementing programmes that cater to students requiring additional support. Her ability to adapt teaching methods accordingly is a testament to her expertise in inclusive education.

Please do not hesitate to contact me if further information is required.

Yours sincerely,

Simone Shivan - Ruru

Student Support Advisor
