Hi Anastasia,

I hope you are doing great!

We were wondering if you are available on 19/03/2025 during the lunchtime to present your current research. This is to showcase our EIT's research portfolio to other polytechnic institutes. We are at the stage now of confirming the names of presenters. If you keen to participate with that event, please let me know.

Have a great day further!

Kind regards,

Amr van den Adel
