Dear Anastasia,

I am writing to express my strong support for the proposal titled “Human Vision-Based Technology for Real-Time Processing of Wide-Angle Drone Video Signals” that you are submitting for funding.

As specialists in drone development, we are very interested in collaborating with you on this innovative project. We believe that our expertise in robust testing and validation will be invaluable as you advance to the prototype stage. Our team includes highly skilled professionals who are eager to contribute to the success of your initiative.

We are fully committed to supporting this project and believe it holds significant potential for advancement in the field. Accordingly, we enthusiastically endorse your application for funding.

Thank you for considering our involvement. I look forward to the opportunity to work together on this exciting project.

Sincerely,
